Welcome

We want to warmly welcome our guests and friends this morning! We’re grateful that you have joined us to worship the Lord together! We invite you to visit our welcome table in the lobby on your way out this morning, where we have a treat prepared that we’d like to give you and your family. If there’s some way we can be used of the Lord to be a blessing to you, please let us know!

YOUTH ALIVE & KIDS 4 TRUTH KICKOFFS

August is here once again, and our Wednesday evening ministries to children and teens are just about to begin for the 2025-26 school year! We hope you’ll bring all your youngins and invite their friends!

KIDS 4 TRUTH – Check-in at 6:45pm

Do you have children ages 4 years-6th grade? We would love for them to join us at Kids 4 Truth, where we focus on teaching kids about the fundamentals of the Christian faith straight from the source—the Bible! We emphasize Bible memory and encourage children to memorize the theme verse for every topic throughout the school-year. We have a great time in games and get to praise the Lord in song together during rally time! It’s the best place a kids could be on a Wednesday night!

YOUTH ALIVE – 7pm

Youth Alive is our Wednesday night ministry to 7th-12th grade teens. We start off in the auditorium along with the adults to sing and worship the Lord. Then teens enjoy some fun and games, before moving to prayer group and a time of preaching. We love our TBC teens dearly and believe they can live for the Lord during this season of life. Though the world is at war for their hearts and minds, our God is greater than the world. We are excited for what God is doing and will do this year in them!

PHILIPPIANS 3:14

An aerial photograph showing a two-lane asphalt road that curves through a hilly landscape. The foreground is dominated by a steep slope covered in dense, brownish-red vegetation, likely heather or bracken, interspersed with patches of green grass and small rocks. The road itself is a light grey color, with a white dashed line marking the edge. In the background, the terrain rises into rolling green hills under a clear sky. A small, light-colored patch of ground, possibly a dry pond or a clearing, is visible near the road on the right side.
